

August 2025

Dear Sylacauga community,

Thank you for your participation in the Sylacauga community activities! With your donations to the Sylacauga Arts Council (SAC), we can continue to award grants to the local schools; our mission is for the arts to become real for thousands of local students!

We were excited to engage with the community during this past year through many events including the B. B. Comer Library dedication of the music trail to our own, Dr. Ted Spears! We applauded the dedication of "Momma's Hands" and "Hope is the thing with Feathers" sculpted by local artists to the B. B. Comer Library, an integral part of our community and the SAC. In addition, we contributed to the beautiful mural in town to welcome all visitors to our city and provide a lovely sight for the locals to enjoy daily.

We also sponsored our annual programs such as the library summer programs, Miss Sylacauga pageant scholarship, and over \$5,000.00 in grants. Our dinner theater program brought back Top Tier band and was enjoyed by all. We had another exceptional Magic of Marble festival in April of 2025 complete with quarry and cemetery tours, enriching programs, and incredible artistry always bringing acclaim to Sylacauga's fabulous white marble!

Please visit our website at [www.sylartsal.org](http://www.sylartsal.org) or our Facebook page [www.facebook.com/SylArtsAL](https://www.facebook.com/SylArtsAL) to stay in touch with all of activities.

We would appreciate your continued financial support of the Arts Council's work by contributing to the 2025-2026 season; **your membership requires no other obligation**. Enclosed is a contribution form or we offer an online form on our website [www.sylartsal.org](http://www.sylartsal.org).

Sincerely,

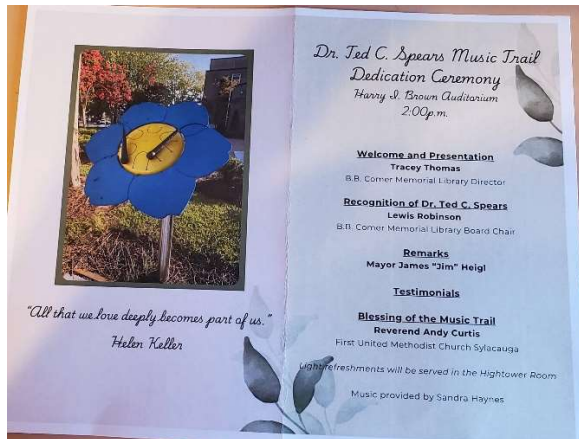

*Dr. Ted C. Spears*
