**Dear Arts Council Friends:**

**We are delighted to be kicking off our 2022-23 membership drive for the Sylacauga Area Council on the Arts and Humanities.**

**The purpose of this letter is to remind you of who we are and why we dedicate ourselves to offering opportunities for enrichment to so many throughout the greater Sylacauga area. An even more important purpose of this contract is to offer you the opportunity to continue to be or to become a part of the Arts Council's work that benefits young and old alike.**

**Like other organizations, the Arts Council has had obstacles created by the Pandemic—but with your help, the board members have worked hard and found ways to survive and even thrive. We continue to partner with you as well as other organizations to offer a wide range of arts and humanities!**

**A few examples of the enrichment opportunities that your donations helped the Arts Council provide for all ages include but are not limited to: The Arts Grants to the area schools; the Summer Program Sponsorship for the Comer Library; the Scholarship for the Miss Sylacauga pageant; and the annual hosting of the Sylacauga Marble Festival which brings sculpting as well as national and international awareness to our town and its unique and beautiful white marble.**

**Please take a few moments to think about how important your membership gift is to our greater Sylacauga area—making a difference in the lives of many who have limited opportunities for experiencing the arts and humanities. You can be an important part of changing lives and building communities!**

Sincerely,

*Ted C. Spears*
